City Code § 69.20 Snow Emergency: “No person shall park, abandon or leave unattended any vehicle on any public street, alley, or City-owned or leased off-street parking area during any snow emergency proclaimed by the Mayor unless the snow has been removed or plowed from said street, alley or parking area and the snow has ceased to fall.”

The resident will sign a liability waiver and be issued a permit for parking on the street immediately in front of their residence for a period of 24 hours or until snow is removed from the street at which time the vehicle must be moved to allow for street crews to complete snow removal efforts.
